State that they are about dispatching the Coatees, Pattern – for European Corps, as promised in another Dispatch. Observe that the expense of providing the Non Commissd. Staff attached to Native Regts. & to Depts. with Clothing of the pattern sanctd. for those Ranks in the Eur. Infy. would be considerable, and that the alteration would create an invidious distinction between the dress of the Staff Serjts. & that of the Native Officer, serving in the same Corps – recommend a less expensive Coatee for these Non Commissd. Staff provided such also be the view of the Bengal Govt. on the matter. Remark that the estimated cost of the new Coatee for Eur. Infy. Staff is higher than the Pattern. Promise to send particulars of the cost of all the Patterns – and call the attention of the Clothing Bd. to this remark.	3d June –
